

unselectCandidateRow

```
graph LR; A[unselectCandidateRow] --> B[uncoverColRows]; B --> C[uncoverRows];
```

A flowchart illustrating a sequence of three steps. The first step, 'unselectCandidateRow', is highlighted with a gray background. It is connected by a blue arrow to the second step, 'uncoverColRows', which has a white background. This second step is then connected by another blue arrow to the third step, 'uncoverRows', also with a white background. All steps are contained within rectangular boxes with black borders.
