

selectCandidateRow

```
graph LR; A[selectCandidateRow] --> B[coverColRows]; B --> C[coverRows];
```

A flowchart illustrating a three-step process. The first step, 'selectCandidateRow', is highlighted with a gray background. A blue arrow points from this step to the second step, 'coverColRows', which has a white background. Another blue arrow points from the second step to the third step, 'coverRows', also with a white background. All steps are contained within rectangular boxes with black borders.
